1. Chair

2. Quorum

Quorum was present.

3. Declaration of interests

No FAB member declared any personal interests where a conflict could arise.

4. Confidential commercial partner discussion

A special meeting was convened to discuss a relationship with a new commercial partner.

The Club is not obliged to consult on commercial partnerships but was keen to hear from the FAB.

The Club presented details around a new commercial partner with a view to gaining input from the FAB, both in terms of raising issues to be considered by the Club and in terms of FAQs for the fanbase.

The FAB set out several questions and raised concerns both about the mechanics of the partnership and some of the overlaps it introduced.

Some aspects of the deal were altered given the FAB's input.

After consultation with those who gave apologies, the FAB Supporter Representatives noted their appreciation of the Club sharing information and that the Club needed to increase its commercial revenues, however were clear that all FAB Supporter Representatives were not supportive of the arrangement.
